The Blackburn Café is a social group made of up community members supporting each other while living with dementia. We meet twice monthly for a morning tea and catch up, enjoy fun experiences and share ideas about how to live our best lives while either living with dementia or being in the family carer role. Our café is multigenerational, includes awareness and information about dementia, and also facilitates an optional support group for those in the caring role.

Umbrella Dementia Cafés is a social health and wellbeing charity supporting people experiencing dementia. Umbrella Dementia Cafes supports four café locations in Blackburn, Blackburn North, Box Hill South and Rosebud.
